

Caroline Woodworth Named to The Wall Street Journal's Pro PE Women to Watch 2023 List

Caroline Woodworth, Principal at General Atlantic, was named to The Wall Street Journal's Pro PE Women to Watch List 2023. Caroline was recognized as a rising star for her leadership and contributions to the firm, including leading the expansion of GA's Financial Services London team and spearheading the firm's financial services investment strategy in Europe, the Middle East and Africa. Additionally, she has led more than 11 deals of over \$3 billion in capital through recent investments.

The 8th annual list, curated by The Wall Street Journal's editorial team, recognizes women in the private equity industry who have notably risen in their professional ranks at their respective firms, and have proven their abilities in deal making, relationship building and cultivating talent.
