

General Atlantic Named to Inc.'s 2024 Founder-Friendly Investors List

Today, General Atlantic was named to Inc.'s annual Founder-Friendly Investors list. The list recognizes the top private equity, venture capital and private debt firms who are committed to partnering with founder-led companies to accelerate their businesses, serving as a resource for founders to find reliable partners.

This year's list recognizes 269 firms that remain actively involved and work closely with the companies they invest in which, in turn, has earned the trust of the companies' entrepreneurs to drive growth and innovation. To compile this list, Inc. surveyed entrepreneurs who have partnered with private equity and venture capital firms to gather their experiences as well analyze data on the growth of their companies throughout those partnerships.

Since its inception, General Atlantic has remained a dedicated partner to over 520 portfolio companies across the US, EMEA, Latin America, India & Southeast Asia and China, supporting to build dynamic businesses and create long-term value.

General Atlantic submitted an application and paid an application fee to be considered for this list.
