

General Atlantic Named Top 25 Growth Equity Firm of 2020 by GrowthCap

General Atlantic was selected as one of GrowthCap's Top 25 Growth Equity Firms of 2020. The firm was recognized for its leadership of the growth equity asset class since 1980.

GrowthCap curated its list based on a thorough evaluation of over 350 firms' approaches to growth equity investing, with effective and consistent value creation as a priority. Firms included on the list demonstrated the ability to produce strong results by driving institutionalized firm cultures, systems and processes that are guided by a commitment to adding value and having impact.

General Atlantic submitted a nomination to be considered for and, once selected, paid to be included on, and to promote inclusion on, this list.
