

General Atlantic Named Top 25 Growth Equity Firm of 2021 by GrowthCap

General Atlantic was selected as one of GrowthCap's Top 25 Growth Equity Firms of 2021. As a pioneer of the growth equity asset class, General Atlantic was recognized for its ability to consistently identify attractive investment opportunities, help our high-growth portfolio companies scale and create sustainable value for all of our stakeholders.

GrowthCap curated the list through a thorough evaluation of hundreds of nominations detailing each firm's strengths, including sector expertise, strategic acumen, operational capabilities and firm culture, among other key attributes. Additionally, GrowthCap analyzed each firm's commitment to ESG and progress towards enacting effective policies and procedures. GrowthCap supplemented its analysis of the nominations submitted with further research and review of peer commentary.

General Atlantic submitted a nomination to be considered for and, once selected, paid to be included on, and to promote inclusion on, this list.
