

## **Michael Bevan**

### **Managing Director**

**Office Location:** New York

Michael Bevan is a Managing Director on the BeyondNetZero team. Bevan has over 25 years of investment experience exclusively focused on sustainable growth investing. Previously, Bevan was a General Partner at Element Partners, a firm dedicated to growth equity investing in environmental businesses. Prior to Element, he was a Partner at Advent International and helped co-manage a dedicated fund focused on minority growth equity transactions into companies focused on sustainability. He also worked at EnerTech Capital, a venture capital fund focused on alternative energy technology investing.
