

Rhea Hamilton

Managing Director

Office Location: London

Rhea Hamilton is a Managing Director on the BeyondNetZero team. Hamilton brings nearly two decades of investing experience focused on climate and sustainability. Before joining BeyondNetZero, she was a Managing Director at OGCI Climate Investments, where she led the venture and growth equity investments globally. Prior to this, Hamilton headed private equity transactions focused on sustainable technology and clean energy, both for a large European family office as well as for a pioneer in sustainable investing, RobecoSAM.
